

Personal & Sick Leave

All full-time permanent employees are permitted 3 days personal business leave with pay each calendar year. In addition, sick leave is credited at the rate of one day per month and is carried forward from year to year when not used.

Tuition Reimbursement

IDOT offers tuition reimbursement up to \$2,500 annually to encourage employees to advance their education related to their position.

Note:
Participation in the reimbursement program may be approved when the course of study or class is beneficial to the Department. Permanent certified full-time employees of the Department are eligible, if approved, to participate in the Tuition Reimbursement Program.

ENGINEERING TECHNICIAN

A Bridge to your Future with IDOT!

Illinois Department
of Transportation

Are you interested in jobs such as...

- Materials, field and laboratory testing and inspection
- Drafting bridge and highway design plans
- Inspecting construction projects
- Bridge inspection
- Staking on a survey crew
- Assist in the development of bridge, road and hydraulic design drawings
- Creating traffic surveys
- Taking physical investigations of highway facilities

Do you possess the knowledge, skill and mental development equivalent to two years of college in pre-engineering or civil engineering technology OR an Associate Degree from an accredited two-year civil engineering technology program? Do you enjoy math and geometry? Do you enjoy problem solving?

If so, you may be interested in an Engineering Technician position at IDOT. Engineer Technicians perform tasks of a technical nature in connection with the investigation planning, design and construction of engineering projects.
